

SPRAY FIRE SEALANTS/LEVEL 5 FINISHES (Skill)

As our trade evolves, we would like to demonstrate how to be more efficient in using a text sprayer to accomplish tasks in fire protection, and skimming walls and ceilings. Topics and books are: Spray Awareness/Airless Spray, (no book) Intro to UL Systems - Materials and Spray Pump, (no book), How to Install Mineral Wool Insulation and Spray (no book), How to spray various kinds of Level 5 Finishes.
